### Detroit Steel Firm Plans \$3.5 Million Plant Here

Construction on a \$3,500,000 steel fabricating plant is expected to start soon, according to officials of R. C. Mahon Co. The Detroit firm will build its facilities on a 30-acre tract on the west side of Crenshaw Blvd., between Monterey St. and Crenshaw Blvd. The plans call for a two-story office building, engineering unit and a 200,000 square-foot manufacturing division, officials said. Initially, approximately 350 persons will be employed by the concern which now has operations in Detroit. In conjunction with the new plant, Mahon Co. has purchased three local plants, the Walter G. Mitchell Industries, Mitchell Steel and Mitchell Properties, Inc. at 2303 Jefferson St. Walter G. Mitchell, who heads the firms founded here 12 years ago, will head the Torrance Mahon division. Operations will be carried out at his present plants until the new facility opens next year.

### African Congress Member to Speak

Mrs. Mary Louise Hopper, the only white person to work inside the All-Negro African National Congress, will be the guest speaker at the South Bay Council of United Church Women meeting April 13, at Seaside Community (E & R) United Church of Christ, Ocean Ave. and 230th St. The meeting will begin at 11 a.m. with business session and devotionals, following the church will serve coffee to supplement the sack lunches guests are asked to bring. All women of the area are invited to attend and to hear Mrs. Hooper's message, "Christian Freedom." Mrs. Hooper, an American, a Quaker, and a grandmother, who won her Phi Beta Kappa at Stanford University at the age of 45, lived as a permanent resident in South Africa from 1955 to 1957, keeping open house for her friends of all races at her country home near Durban. Among her close friends she numbers ex-Chief Albert J. Lutuli, outstanding Christian lay-leader, and three times elected President-General of the African National Congress, and other leaders—African, Indian and Caucasian—of the South African anti-apartheid movement. This American woman recently had the honor of representing the African National Congress of South Africa as a delegate to the All-African People's Conference held in December, 1958, in Accra, Ghana. She was the only American to be an official delegate to this 250-delegate conference of 28 African States. Arrangements for the program are being handled by Mrs. Stanley Boyd, Chairman of the Christian Social Relations Department, under whose jurisdiction this meeting falls. Child care will be provided by the host church. The meeting will close at 2 p.m.

### Turkish Professor Impressed by U.S.

A personal touch was given the sister-city program, Monday, when a distinguished Turkish guest was entertained in a local home. The dinner party for the Turkish visitor to Torrance was given by Mr. and Mrs. Joseph Boylan of 2714 Grand Summit Rd. Professor Nijad Sirel, the director of the Academy of Fine Arts in Istanbul was accompanied by his interpreter, Julius Bang. A sculpturer and teacher for 32 years, Professor Sirel expressed great interest in the local fine art scene. Finding a common bond in the German language the Boylans were able to converse without the aid of the interpreter. Professor Sirel stated that his first trip to America had impressed him greatly. The vastness of the country, the buying power of the people, the buildings and the number of cars on the roads all amazed him. Also present for the evening were Mr. and Mrs. Theodore Shields. Mrs. Ann Shields is a well known South Bay artist. Mrs. Boylan collected a small gallery of can'tases painted by local artists to enable the Turkish guest to see some of the local work first hand. For dinner Mrs. Boylan served a very American menu consisting of barbecued filet mignon with apple pie for dessert. Professor Sirel was taken on a trip to Marineland in the afternoon by Mrs. Charles Goodenberger of the Redondo Beach Di-anas. The visiton was introduced to his host and hostess through the International Relations program in cooperation with UCLA. Mrs. Clifford Trezise is the local representative of the program.

### Miss Perfect Posture Sought

Some lucky young woman of the South Bay area may be chosen Miss Perfect Posture of California, 1959, according to Dr. Roy R. C. Sanderson, chairman of the annual Miss Perfect Posture Pageant for the California Chiropractic Association, in an announcement issued today. "Unmarried young ladies between 18 and 24 years inclusive, are being sought as entrants in a local Miss Perfect Posture Pageant, to determine the girl with the most healthful posture in our area," Dr. Sanderson said. The Cockatoo Restaurant, Imperial and Hawthorne Blvd., Hawthorne, Saturday at 1:30 p.m.
